Commissioner for Patents

The reply filed on September 10, 2007 is not fully responsive to the prior Office action because of the following omission(s) or matter(s): The amended claims that were submitted were not the current claims under review by the examiner, the claims were amended by a preliminary amendment filed the same day as the application. See 37 CFR 1.111. Since the above-mentioned reply appears to be bona fide, applicant is given a TIME PERIOD of ONE (1) MONTH or THIRTY (30) DAYS from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. Since this application has been granted special status under the accelerated examination program, NO extensions of time under 37 CFR 1.136(a) will be permitted.
